LANZHOU JIAOTONG UNIVERSITY

## **2018 Lanzhou Jiaotong University Chinese Government Scholarship-Graduate Program**

Lanzhou Jiaotong University (LZJTU), located in Lanzhou, the capital city of Gansu Province is the third railway college of China. LZJTU is a multidisciplinary, comprehensive university with a wide range of disciplines covered, comprising the engineering, technology, economy, management arts, agronomy and science of laws. With an emphasis on engineering and transportation, the university has outstanding achievements in the fields of Civil Engineering, Railway Engineering, Vehicle Engineering, Railway Electrical Engineering, and Railway Transportation. In addition, LZJTU offers a multitude of characteristic specialties in the fields of motor cars, vehicles, signals, communications, and transportation. The university is closely related to the development of China's railway industry, and has trained a large number of excellent engineers for the development of railway construction of china.

LZJTU currently has three campuses, 29,694 full-time students, including 22,505 undergraduate students, 3,842 postgraduate students, 276 international students and 1,569 full-time teachers. The university is the host university for Chinese Government Scholarship students as well as the Demonstration Base for Study in China. The university has already cultivated over 1800 international students from 52 countries all over the world. International students possess a bright and prosperous employment situation and graduates are mainly distributed in the fields of Chinese enterprises, government departments, multinational corporations, schools and so on.

LZJTU has officially opened admission for international students under the Chinese Government Scholarship. For more specifications, please read the following:
