2. Deadlines for Application, Ranking Based on Secondary Education Grades, and Enrollment

	First Round	Second Round	Third Round
Registration of Candidates	**25.08.2025 - 27.08 2025**	**15.09.2025 16.09.2025**	**29.09.2025**
Announcement of Results (Preliminary Ranking List)	**31.08.2025**	**18.09.2025**	**01.10.2025**
Announcement of Admission Decision (Final Ranking List)	**02.09.2025**	**22.09.2025**	**05.10.2025**
Enrollment of Candidates	**07.09.2025 09.09.2025**	**24.09.2025**	**07.10.2025**

Note:

Following the completion of the first enrollment period, the University will announce an additional call for enrollment in the second and third enrollment periods for the unfilled places in the faculties and study programs, respectively, in the academic year 2026/2027. **The number of available places for enrollment in the upcoming enrollment periods of the academic year 2026/2027 will be published on the University's website.**

Applications within the deadlines set by the Call are submitted to the Student Affairs and ECTS Office of the University.

When applying for enrollment at the faculties, candidates must submit the following documents:

1. Enrollment Application (a form available on the University website www.uist.edu.mk, and can also be obtained at the Student Affairs and ECTS Office of the University);
2. Original certificates from all grades;
3. Document certifying passed state, international, or school matriculation (Original certificate of completed secondary education);
4. Extract from the birth register (original);
5. Proof of citizenship of the Republic of North Macedonia (certificate or decision – original);
6. Payment confirmation:

- 500 MKD to the University's account for the enrollment application according to the UIST price list and an administrative fee payment of 50.00 MKD.

Candidates applying for enrollment as part-time students must submit, in addition to the above documents, the following: A notarized **M1/M2 form** or a medical certificate for the reasons listed in point 1, paragraph 2 (issued by the relevant health institution), and proof that they are a parent of a child for whom the right to parental leave still applies.

3. Scholarship

The University will award scholarships, i.e., tuition fee waivers, to full-time students enrolled in first-cycle first-year studies for the academic year 2026/2027 in the study programs of the University's units, for students who:

- During secondary education, have received first, second, or third prize in a national competition in the scientific-research field of natural-mathematical sciences, engineering, and technology.
- During secondary education, have received first, second, or third prize in international olympiads/international competitions in the scientific-research field of natural-mathematical sciences, engineering, and technology.

Interested candidates who have received such awards need to submit them along with the original enrollment documents.

4. Candidates with Completed Secondary Education Abroad

a) Foreign Nationals

1. Foreign nationals are admitted outside of the quotas determined in the Call for applications.
2. The selection of foreign nationals who apply to study at the University is based on the adequacy of their previously completed secondary education and their achieved success in secondary education.
3. When applying, candidates must indicate the faculty or study program they wish to enroll in and whether they are scholarship holders of their home government or will cover the tuition fees independently. Along with the application, they must submit a nostrified certificate of completed secondary education or a copy of the confirmation issued by the Ministry of Education and Science that the nostrification process has been initiated, a certified translation of the birth certificate, a copy of their passport, and a certificate of English language proficiency.
4. The tuition fee for foreign nationals for the academic year 2026/2027 is 600 euros per semester, or 1,200 euros annually, payable in the equivalent amount in Macedonian denars according to the middle exchange rate of the National Bank of the Republic of North Macedonia on the day of payment unless otherwise regulated by an inter-university cooperation agreement.

b) Emigrants and Citizens of the Republic of North Macedonia with Entire or Partial Secondary Education Completed Abroad

1. Candidates whose parents are emigrants and candidates who are citizens of the Republic of North Macedonia who have completed their entire or part of their secondary education abroad are admitted under the same conditions and criteria as candidates who completed their secondary education in the Republic of North Macedonia. In addition to the other

required documents, they must also submit nostrified certificates for the part of secondary education completed abroad.

The selection of candidates under item 1 by the University will be based on academic achievement in secondary education, the nostrified certificates, and the equivalency of grades.

The conditions and criteria for enrollment, as well as lists of external and internal subjects from the state matriculation exam relevant for enrollment in the university's study programs for candidates who took the state matriculation exam up to the academic year 2012/2013, and candidates who took it in the academic years 2025/26, 2024/25, 2023/24, 2022/23, 2021/2022, 2020/2021, 2018/2019, 2017/2018, 2016/2017, 2015/2016, 2014/2015, and 2013/2014, as well as the list of subjects scored for evaluating secondary education success for candidates who finished secondary education before the academic year 2007/2008 and did not take the state matriculation exam, and candidates who finished secondary education in 2019/2020 and did not take the state matriculation exam, **are published in the full text of the Call on the University's official website, www.uist.edu.mk.**

Every interested candidate can additionally inquire about the required documents via email at the following address: upisi@uist.edu.mk.

The Call is published on the website of the
University of Information Sciences and Technologies
